Latitia Bullock DeLoach  
Community Outreach & Education Director  
300 East Buckthorn Street  
Inglewood, CA, 90301

Dear Latitia,

Thank you and The Children's Dental Center for providing on site Oral Health education and offering dental screenings to our over 1800 Head Start children and their families. The Los Angeles Urban League sincerely appreciates the time, effort and patience your staff practiced in offering quality, no cost, Oral Health services to our families in their school environment. I especially appreciate your flexibility, and collaborative nature, which aided us in being able to provide this comprehensive service to in need families. The Los Angeles Urban League looks forward to continuing this partnership.

Again, thank you so much for your support.

Best Regards,

Krishaunda Hampton  
Family Services Coordinator
